CHAPTER 675

AN ACT

To authorize the loan of two submarines to the Government of the Netherlands.

July 11, 1952
[S. 3337]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is authorized to lend to the Government of the Netherlands two submarines for use by that Government until the construction of the first two of four submarines to be constructed by the Government of the Netherlands has been completed, but in no event beyond a period of five years. The President shall, prior to the delivery of the submarines to the Government of the Netherlands, conclude an agreement with that Government providing for the return of the submarines in accordance with the provisions of this Act and in substantially the same condition as when loaned.
